

ADMINISTRATIVE REEMPLOYMENT RIGHTS AGREEMENT

This document represents an agreement between the Department of Defense Dependents Schools (DoDDS) and the undersigned educator. It becomes effective upon the educator's written resignation in order to pursue the course of study, participate in the project, or accept temporary employment described in the application.

I understand that this agreement is contingent upon my satisfactory completion of the program described in my application, and the timely submission of documentation verifying completion to the Chief, Staffing Section.

I will return to DoDDS for school year 2012-2013 and DoDDS agrees to place me in a position for which I am qualified.

I am aware that I must notify the appropriate Area Human Resources Specialist, by certified or registered mail prior to December 15, 2011, whether I intend to exercise my reemployment rights. Additionally, I must provide official documentation that I have satisfactorily completed the program described in my application no later than the date of actual employment.

Should I choose to pursue a program outside the United States, I acknowledge that I may not be entitled to benefits, such as housing and transportation, normally granted to those employees who have established actual residence in the United States. In addition, I will not be a member of the forces under any Status of Forces Agreements between the dates of resignation and reemployment.

In the event of my failure to comply with all of the above, I understand that this agreement may be void and I may not receive special placement consideration with DoDDS.
