Hi Member,

Want to keep learning and save money?

FEA is working hard to make members lives easier—and here's one way we're doing that: **FEA teamed up with Augustana University and VESi to give you an amazing deal—\$250 a year—on online college classes!**

For just \$250 a year, you can:

- Take classes online, right from home
- Choose from 30+ topics like tech in the classroom, autism, mental health, reading & writing, and more
- Do up to 3 classes a year (1 per term or 2 in summer if you skip a term)
- Earn real graduate credits to boost your career or salary
- Save up to \$645 every year!

Classes kick off June 2, so don't wait—sign up soon to make the most of this offer!

Heads up: You can stop a course after registering, but no refunds—so be sure before you join.

Want to sign up or learn more?
