Hi Member,

FEA's strength today is no accident—it's the result of generations of educators who organized, advocated, and led with purpose. Among them are three former presidents whose commitment and care helped build the foundation we now stand on.

From left to right: Jan Mohr, Michael Priser, and Chuck McCarter.

Jan Mohr, Michael Priser, and Chuck McCarter—three past FEA presidents—helped build the foundation we stand on today. Their leadership was rooted in care, consistency, and collective strength—values that continue to shape our union.

Their work laid the foundation. Now it's our turn to keep building.

We carry their legacy forward not just in memory, but through action—steady, intentional steps that strengthen the union they helped shape. One of the most impactful actions you can take today is enrolling in autopay (if you have not already done so).

ENROLL IN AUTOPAY

Autopay may seem simple, but its impact is profound. Enrolling today lightens your load during the busy back-to-school season, helps FEA stay organized and proactive as fall approaches, and strengthens our collective power while member engagement is high.

Reliable dues processing empowers FEA to focus on what matters most: advocating for your rights, organizing for change, and protecting educators across the globe—just as Jan, Michael, and Chuck did.

To switch to AutoPay, you'll need your NEA Member ID, which you can find [at the bottom of this newsletter](#). **Moving forward, your NEA Member ID will appear in every FEA newsletter for easy access.**

More than 50% of our members have already converted to AutoPay—a major milestone in strengthening our collective infrastructure. If you've already made the switch, thank you for doing your part to keep FEA strong. Please encourage your friends and colleagues to join you—it only takes a minute, and the impact is lasting.

It's a small step with lasting ripple effects—a clear and powerful way to turn gratitude into momentum, and memory into movement.

Let's keep building—together.

In solidarity,
Federal Education Association
