AdvancED Accreditation Process

The Department of Defense Education Activity (DODEA) and the Federal Education Association (FEA), hereafter referred to as the "parties," hereby agree to the following concerning the development of a questionnaire for assessing the process for AdvancED Accreditation Process in DoDEA. The parties discussed their concern about the amount of time and effort being spent by DoDEA personnel in order to complete this process. The parties desire to streamline the process for AdvancED by identifying ways to reduce or eliminate duplication of effort and unnecessary work.

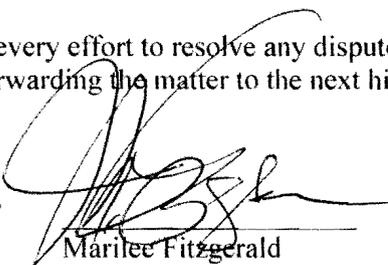

The parties agree to mutually develop a questionnaire/survey to assess the process of Advanced Education. This assessment should be administered by the end of the first semester SY 2010/11.

The parties agree to make every effort to resolve any disputes that arise at the organizational level where they arise prior to forwarding the matter to the next higher level.
