## **Member Spotlights**

One of the best parts of our newsletter is getting to highlight the incredible work, creativity, and dedication of FEA members. There are so many powerful stories across our community, and we want to help share them.

If you or a colleague would like to be featured in an upcoming newsletter, we encourage you to submit a membership spotlight by simply replying to this email. Whether it is something happening in your classroom, your school, or your broader community, we would love to hear about it.

Tell us about your work, what drives you, and the impact you are making. Your story could inspire others across the FEA network.

## **New Resource on the FEA Website: Memoranda of Understanding (MOUs)**

We're excited to share a new feature on the FEA website. A collection of Memoranda of Understanding (MOUs) between FEA and DoDEA is now available for members to access. You can explore the available MOUs [here](#).

This resource is designed to make it easier to find important agreements and stay informed.

If you are looking for a specific MOU that is not listed, please contact us at [FEAadmin@nea.org](mailto:FEAadmin@nea.org).
