Back to School Announcement

Welcome back! We hope you had time to rest and recharge this summer. As the 2026-2027 school year begins, we wish all our educators and education support professionals a strong start and a successful year ahead.

Whether you're returning to a familiar school or starting somewhere new, thank you for all you do for our students and school communities. FEA is here to support, advocate for, and keep you connected throughout the year.

As we kick off the new school year, please save the following email addresses so you can quickly reach the right FEA team when you need support:

- General concerns: FEAAdmin@nea.org
- Membership questions: FEAMembership@nea.org
- Retired members: Federal.Retired@nea.org

Please note that 202-822-7850 is no longer a reliable way to reach FEA staff directly. Using the appropriate email address will help us respond to your questions and concerns as quickly as possible.

Welcoming New Educators

As new educators arrive at your school, please help us make sure they know about FEA and how to get connected.

- Introduce new educators to your school's Faculty Representative Spokesperson (FRS) or Local President.
- Encourage them to reach out to FEAMembership@nea.org to learn more about FEA membership and the resources available to members.
- Help share the FEAAdmin@nea.org email to make sure new colleagues know where to go if they're ready to join or simply have questions about FEA.

A personal introduction can go a long way. Let's make sure every new educator has an opportunity to learn about FEA and get connected.

Important DoDEA Updates

FEA has received a number of notices regarding changes from DoDEA management, including a new Administrative Instruction (AI) regarding Living Quarters Allowance (LQA).

FEA is currently reviewing these notices and evaluating its options.

We will share additional information as it becomes available. Please continue to watch this newsletter for important updates.

Wishing you a smooth start and a successful school year!

In solidarity,
Federal Education Association
